### "Intuition"

When we say "Intuition" we mean the **Wisdom of the Soul**. The Soul resides in you. Your Body is your Tempel the soul lives. It is always there, eternal flame of the "ALL". The "ALL" is a Divine Consciousness of "All Knowing", "All Hearing", "All Listening". The ALL is what you can call **GOD**. God is in all of us, represented by Your Soul. The Soul is the spark of God and always aligned with the Source of All, Source of Life.

#### So what is the meaning of your Soul ?

The Soul incarnates through several times on Earth to become fully aligned with Source. This alignment is always available for every Human Being. It is called Intuition, the language of the soul.

It is your Inner Knowing, your Truth.

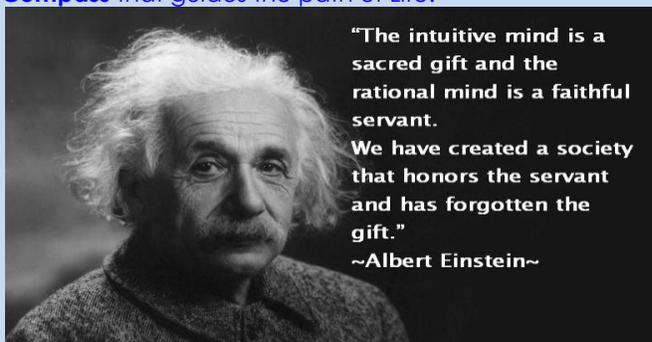

This inner knowing feels like a sign to follow. Your Heart is connected to the Soul. The Inner Guidance of the Soul is the Wisdom of Source. **To trust this guidance is a lesson for every soul.**

**Young souls** are not able to follow and trust on it's own truth. So they experience a lot of **thinking of the Ego**. The Ego is in charge of your life. It thinks when I am in control of life is where it needs to go. BUT suddenly there are situations or experiences where you as a Human Being have no control at all. You feel **powerless**, lost and in doubt about yourself, your thinking.

After several lives or situations you realise that your thoughts are not a good guidance after all.

#### So what do you need ?

An **older Soul**, where there is more maturity developed trust this Inner Guidance of the Soul fully. It is this **Compass** that guides the path of Life.

#### How can you develop your Inner Guidance ?

Take time, space and be in silence. Step back from everyday life. Close your eyes, sit down and breath deeply.

- *Breath to touch **the Heart of Mother Earth**. Her beautiful and healing Crystal;*

- *Breath to touch **the Heart of Father God**, the Eternal Sun above you;*
- **Center** your Breathing in Your Body, your Temple of The Soul;
- *See, what Place you are ? Can you see your **Inner Garden** ? How does it look like ? Are there flowers, roses ? Trees and birds singing.*
- *Go and walk to your Inner Space of Divinity.*
- *Sit down and you feel the **Divine Guidance** around you.*
- *You can ask questions, you can just "BE" there and breath deep and slowly.*
- *Or just listen, what messages are are there for you ?*

When you want **Clarity** in Your every day Life you can write or say your Intention before you "go" to Your Inner Sacred Place. The Universe responses to your **Intentions of the Heart**. The Heart is the **magnet of the Universe** and it attracts what you feel....believe and trust on.

#### Do you trust your Thoughts or do you trust your Intuition ?

When you are in doubt just try it in your own life.

You will be convinced that you are more then thoughts. Following your Intuition is your Divine Guidance on your Lifepath. You feel that you are never alone. What being 'in the flow' means for you.

#### So what do you believe ?

Are you ready to visit your Beautiful Divine Inner Garden where all the wisdom, love and power is to guide you.

With love and gratitude,

Viviana
