"Coincidence"

What is Coincidence ? Do you what is means ?
Are you aware of the circumstances you are at that moment of Life ? No ?
Probably lots of people are not aware of "Coincidence" in their life. Coincidence is as the Universe arranges "**synchronicity**" in your Life.

What does 'Synchronicity' means ?

Let us explain a situation to you.
You are waiting for the bus to go to your work. Suddenly you think about a colleague who works with you. Thinking about the project you both work on. She lives on the other side of town. You are waiting for the bus because it is a rainy day. Most of the time you go by bike. A few moments from thinking about her, she arrives and stops the car. She invites you to step in and go together to work. You are very surprised but she has also the same surprising reaction. The road was blocked and so she had to take another route to work today. This example is called "**synchronicity**". When two (or more) people ('souls') are closely aligned with each other they meet on the right time and place.

It is called "Divine Timing".

Your **Higher Self** arranges this situations and you *feel* that their is an Higher Consciousness/Power than yourself. You did not arrange it by yourself. You reacted on the situation (rain) and without even thinking consciously I go with my colleague together to work today...it just happend !!!

How wonderful is that ?

This is how the Universe works through YOU...if you **ALLOW** it. This example is maybe one everyone can imagine or had the same situation.

Can YOU imagine when you want to create a desire...dream consciously ?

When you express it, believe it and ALLOW it to happen...more 'synchronicity' will happen into your life. It is all about **TRUST, BELIEVE** but also about a **supportive EGO**. This means an Ego that does not control, fears, is impatient.

But an Ego, a Personality with Positive, affirming Thinking. You trust on Your Desire because Your Soul knows already it will happen.

Now it is your Turn to **let** it happen.

So how Can you let it happen ?

- Create a Sacred Space for your self and **Focus** daily on your manifested outcome;
- **FEEL** it already;
- **SEE** where you are, with whom you are;
- Creating this **FLOW OF LOVE** for your Self creates Synchronicity;
- Essential in this process is to be **RECEPTIVE**.
- When you walk your Life Path you will be **challenged** in your destiny.

And then ...suddenly...it is literally in FRONT of you. You FACE it with your own eyes. You feel satisfied, happy, gratefull and at ease.
Synchronicity, as a Law of The Univers, delivers what you ask for. So be aware what **YOU** Wish for !

Be **specific** in your desire because the Universe is an abundant Universe. So all is already there. Choose wisely and from Your **Heart**.

Suddenly it Happens.

No "coincidence", but "synchronicity".

With love and gratitude,
Viviana
