"Unconditional Love"

Love is the **Essence of Existence** of every Human Being on Planeth Earth. Love is an Energy from Souce. Divine Energy that all people connects.

The Love you give to a child or an animal is love without thinking.

It is a **giving** from the heart and soul. So 'giving' is equal to 'love'. Unconditional Love is an energy of the almighty "I AM Presence" An energy that contains the Divine Rays of Love and Light. Expanding energy.

"**Love is all we Need**" is a famous quote and these words always count. You **can** always **count** on love.

It is always there

It is everlasting

It is eternal

It is supportive

It is understanding

It is...

Love is a powerful energy in the Universe.

Living, thinking an acting from love **excellates**.

Like a chain reaction. It touches every soul, every Human Being on a deep level.

Love makes us Silent, Happy, Joyfull, builds Trust, Self Esteem, Self Confidence.

It **gives** so much !

So start with your own Love, "**SELFLOVE**". Giving from Selflove let you shine brightly.

You effect other people...to do the same.

Is it possible not to laugh when a child laughs? NO! It is not. So Love Effects...self love effects...

Love creates a Divine Light Energy. Only unconditional love is felt as an honest, heartfelt giving. A giving without conditions, Ego-Believes or in return to receive.

LOVE IS !

So Be Love to give unconditionally. It is the giving, you share, connect with other people or animals.

Love is a natural State of Being.

Do you Love Yourself ?

What do you do to love your self more ?

How does it feel, Self Love to you ?

Are you in love with yourself ?

It is in your being that you give !

Detach from negative emotions, creating instead of reaction are possibilities to see the play of Ego's.

Souls come from Love, connect from Love, are Love!

You are not your Ego. That is what you think you are. But Love is beyond your Thinking and you are **Love**. **You are Loved !**

Be grateful of Being you. Being Love.

Radiate your magnificence True Self.

Your Diamond, Shining & Strong. So Believe in your True Self and Self Love is a natural state of Being for you. Natural...without thinking. Just Being ! Being Love. Being Self Love, Be You !!!

We all Love you so much.

With love and gratitude,

Viviana
